

**ARKANSAS STATE HIGHWAY AND TRANSPORTATION DEPARTMENT**

**Little Rock, Arkansas**

**November 1, 1999**

**M E M O R A N D U M**

**TO:** Bridge, Construction, Environmental, Materials,  
Roadway and State Aid Divisions

**FROM:** Robert L. Walters  
Chief Engineer

**SUBJECT: Reports containing geologic interpretation and analysis**

The Arkansas State Board of Registration for Professional Geologists has advised that reports submitted to the Department which contain geologic interpretation and analysis are to carry the stamp of a geologist registered in the State of Arkansas.

Should you or your staff receive any such documents which do not have the appropriate stamp affixed, please notify this office.

**Cc:** Director  
Assistant Chief Engineers
